The Native American Scholarships Fund is an endowment established to foster a sense of shared purpose and positive interaction between archaeologists and Native Americans. The Native American Scholarships Fund is an endowment established to foster a sense of shared purpose and positive interaction between archaeologists and Native Americans. Scholarships are open to all Native peoples from anywhere in the Americas, Alaska Natives, Native Hawaiians, and Indigenous Pacific Islanders.

Since 1998, the SAA has used the endowment income to award the annual Arthur C. National Science Foundation (NSF) Scholarships for Archaeological Training for Native Americans and Native Hawaiians are also awarded through the Native American Scholarships Committee. In 2009, the SAA added two new awards in support of undergraduate and graduate archaeology education.

Support for these scholarships comes in several ways: through individual donations, an annual silent auction at the SAA meetings, book royalties, and grants. For questions about the applications process or to make a donation, please contact the Committee Chair.
