July 2, 2007

Dear Student:

This is to inform you of our Youth Initiatives Program (YIP). The aim of this program is to encourage and reward achievements by our K-12 students nationwide. Areas in which students may participate include the following: (1) Art Contest, (2) Attendance Incentive, (3) Essay/Poetry Contest, (4) Student of the Month/Year Recognition, and (5) Senior Incentive. Grade divisions are as follows: Primary (K-2), Intermediate (3-5), Middle (6-8), and High School (9-12).

Art and essay/poetry projects may be either home or school projects. All names on projects submitted will be concealed before they are presented to the YIP Advisory Board. The board then judges the projects. Students may mail copies/pictures of their work or request that originals be returned to them. Awards include: First place (\$100.00), Second place (\$50.00), and Third place (\$25.00). K-2 students are ineligible for participation in the Essay/Poetry Contest.

The Attendance Incentive is based on the entire academic school year. All grade divisions are included. Students will be awarded as follows: Perfect attendance (\$100.00); Three (3) days of absenteeism or less (\$50.00); and Five (5) days absenteeism maximum (\$25.00). Copies of the student's year-end report card will be required as verification of attendance.

Consideration for Student of the Month/Year applies to middle and high school students only. Students may be judged on a wide variety of activities. Activities include, but are not limited to, academics as well as extra-curricular activities. Documentation of all activities will be required. Students also need not be Student of the Month at their respective schools. Those recognized will be considered as Ponca Student of the Month. Again, the YIP Board will make determinations regarding winners. Each Student of the Month selected will receive \$100.00 in his/her grade division. The Student of the Year will be selected from among those recognized during the regular school year and receive an additional award of \$100.00.

All tribally enrolled senior high school students are eligible to receive \$500.00 as part of the Senior Incentive. This award may be applied to whatever graduation expenses they choose. Proof of senior status is required. Verification may be a letter from someone in the school system (principal, teacher, advisor, etc.) simply stating that the student is currently enrolled as a senior. The statement must be on the school's letterhead stationery. A student's fall grade report may substitute for the letter. After the student has graduated, a final transcript is to be sent to us.

Once recognized in any one category, a student may not re-enter in that category during the same school year. The application deadline is July 31st of the school year recently completed. Remember, too, tribal enrollment is required. Please contact the Education Department if you have any questions.

Sincerely,

Pat Eichberger
