

Pandemic Flu (H¹N¹) PLANNING

We are seeking your input on

- 1 The most efficient ways to communicate & inform members
- 2 Ways of developing a natural networking system between members

UPDATE

- 1 H¹N¹ Vaccination Clinics
- 2 New Information on the H¹N¹ Virus

MEETING SCHEDULE

February 4252 Spruce Avenue, Niobrara

H¹N¹ Vaccine will be given out at the meeting to those who need it.

*The meeting will begin at **6:00 p.m.** with the following schedule*

- **Opening Prayer**
- **Welcome and Agenda Review**

The purpose is to discuss and decide which forms of communicating information to members are the most effective, reliable and timely. We also would like to work on forming a natural networking system between members that could be used in a pandemic situation.

- **Presentations**

You will receive updated information on H¹N¹ clinics and vaccinations in your area. You will get any new information that is available about the H¹N¹ virus.

- **Discussion**

Gather input on effective forms of communication between the tribe and its members. Establish a natural network between tribal members that can be used during a pandemic.

Local Health Department representatives will be on hand to answer your questions.

Food and drink will be provided.
