Immediate Response Required -- Heat Aid Funds Now Available Outside SDA

June 25, 2009

Dear Ponca Tribe of Nebraska Member,

On June 24, 2008 the Ponca Tribe of Nebraska Tribal Council approved extending assistance through the Heat Aid Program funded by the CITGO Corporation. Initial funding was designated to Heads of Household (HOH) in the 15 county service delivery area.

The extension is available to enrolled tribal members who are designated Heads of Household residing outside of the tribal service area in the amount of \$200. Sorry, only one member per household is eligible to receive this assistance. ***These funds are limited and will be distributed on a first come first served basis.***

All applicants must:

1. Be and enrolled member of the Ponca Tribe of Nebraska
2. Be designated as the Head of Household (HOH) by the Ponca Tribe of Nebraska Enrollment Office (include a change of address form and verification if you have moved)
3. Complete the enclosed application (signature is required)
4. Provide the most recent copy of your heat source billing—including the amount of the heat source used and the cost. ***If your billing document does not have the HOH name on the bill, verification of the HOH residing at the billing address must be included.***

Examples of verification include:

- a. Other current bills with the HOH name and address on the billing document (black out account numbers for your protection)
- b. A current bank statement containing the HOH name and address (black out account numbers for your protection)
- c. Social Service eligibility letter with HOH name and address

All documents must be returned by July 15, 2009 for processing. You may mail, email, or fax all documents. Please identify your submission as "Heat Aid Application" in the attention or subject line.
