Dwight remarked that we may become part of the powwow committee.

The number of persons on culture committee should increase to five hopefully with people from each district. We should personally invite tribal members to attend.

Diana suggested that possibly work days could be added. We could attend functions . Diana will get information from Jan for Committee review.

Chairman Larry Wright has declared a state of emergency for language.
Dwight is working with Tim Grant, and the Lieb family to teach classes via telecommunications with the University Center in Ponca City.

Plans for next years Powwow May have just all invited Drums in the center of the Arena.

Next meeting - perhaps during Powwow.
